ALL INCLUSIVE PROGRAM

**NEW EXCLUSIVE,
ALL INCLUSIVE CT**

Lower Dose*,
Scalable Platform CT with
5 Year Total Support Program

Hitachi's Total Support Provides unmatched value and reduced risk.

Hitachi's All Inclusive Promotion substantially reduces total 5 year lifetime costs, eliminates unbudgeted surprises and includes all the support elements that most buyers need, including:

- Full Service with 8AM to 5PM coverage, additional coverage available
- X-ray tube replacement coverage for up to 100,000 rotations per year
- Sentinel™ Remote Service Diagnostics
- Unlimited on-site Applications covering initial installation training and unlimited scheduled on-site revisits
- HMSA 98% Uptime guarantee
- System Software upgrades typically scheduled annually
- Tuition free enrollment in HMSA "HITS" CT Applications classes conducted at HMSA US Corporate Headquarters
- ACR Site Accreditation Assistance
- Advanced Marketing Communications Program assistance

*In clinical use, dose saving features may reduce CT patient dose depending on the clinical task, patient size, anatomical location and clinical practices employed. Consultation with a radiologist and physicist are recommended to determine the appropriate dose needed to obtain diagnostic image quality for a particular clinical task.
